

THE CHALET LE COQUELICOT

A photograph of a balcony in a winter setting. The balcony has a wooden railing and is covered with a thick layer of snow. In the background, there is a dense forest of tall evergreen trees, all heavily laden with snow. The sky is overcast and grey. The balcony is part of a wooden building, with the underside of the roof and some structural beams visible. To the right, there is a window and a small potted plant. In the foreground, a white table and chairs are partially visible, also covered in snow.
