Cozy, Luxury Chalet

Chesa Falcun is Klosters most exclusive and luxurious Chalet. Built in 2008, Falcun looks out towards the Gostchna and Kublis peaks, overlooking the whole of the Klosters valley. It is the most spacious and beautifully situated in the valley and is designed with privacy, space and every comfort in mind.

Set over four floors, Chesa Falcun has large sunny outdoor terraces with fabulous southerly views across the vast virgin snow fields in front. Falcun's commanding size and position in the resort set it apart from any other accommodation. Inside, the traditional warm fabrics sit naturally with modern quality fittings, and the drawing room's grand fireplace is the perfect place to relax.
