With a seamless fusion of history and modern comforts, the only Grand Hotel in town promises an unforgettable experience for discerning travelers seeking a sanctuary amidst the city's vibrant atmosphere.

As the official guesthouse of the Swiss government, the hotel has been a place of living history for over 150 years and is an iconic venue for diplomats and politicians and a common meeting hub for the whole of Bern.

# The Bellevue Chronicle

The «old» Hotel Bellevue was opened in 1865, followed by the Bellevue Palace in 1913. It was the last Grand Hotel in Switzerland to be built in the Belle Époque, which was coming to an end, and still impresses with its imposing architecture. In 1976 it became the property of the National Bank, which handed it over to the Swiss Confederation in 1994. Today it is their official guesthouse for state guests.
