

ALPENGOLD
HOTEL
DAVOS

For those seeking
something out of the ordinary ◀

From a pinecone
in the adjoining forest
to a unique organic
architectural feat

Inaugurated in December 2013, the AlpenGold hotel quickly became iconic thanks to its organic design concept inspired by a pinecone from the nearby forest. Located at an altitude of 1,600 meters above sea level and on the heights of Lake Davos, the house at the entrance of the Flüela valley offers a wealth of experiences. The warm materials, natural elements, luminous ambiance and splendid areas interact harmoniously with the landscapes of the alpine hinterland. The hotel is a destination within the destination itself, offering everything the guest needs. Here, sensations are experienced both inside and outside.

Exceptional rooms and suites in the largest hotel of Davos

How spacious, what a view, what a terrace, what softness! A range of exclamatory superlatives to match the grandeur of the surrounding peaks. The interior of the 191 rooms and 25 suites features a harmonious blend of authentic alpine design elements and contemporary sophistication. Upon waking, one is greeted by the gentle song of birds and the soothing scent of trees.

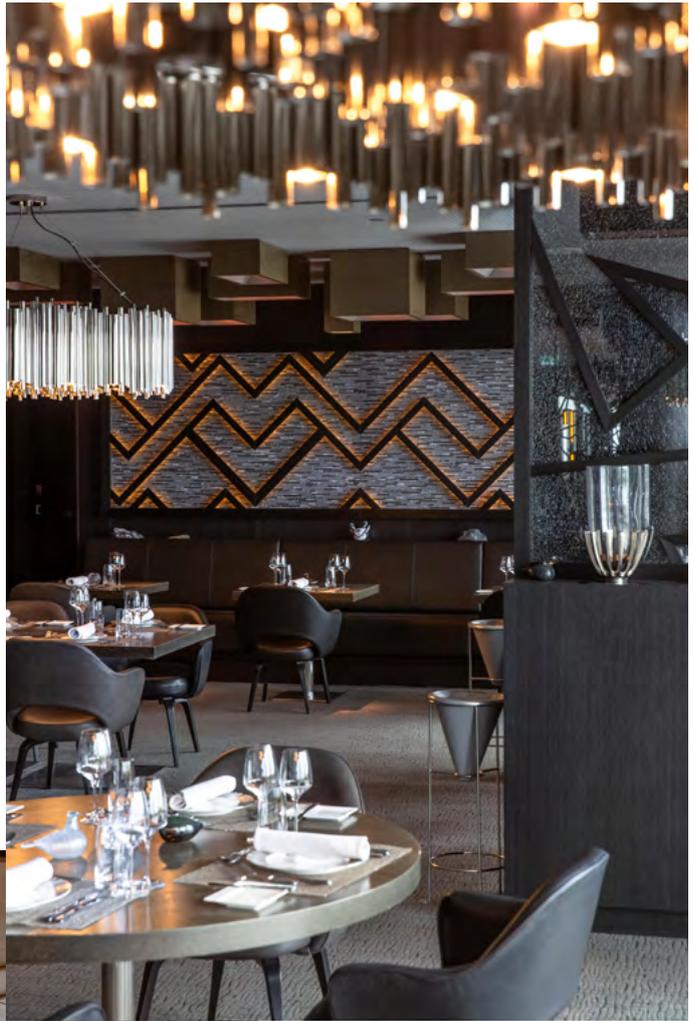

Peaks and plates

LA MUÑA ◀

14 Gault&Millau points

Featuring monochrome shades of slate gray and black, punctuated by eclectic artworks and spectacular lighting, the atmosphere is intimate and elegant. An ultra-fresh approach against a spectacular alpine backdrop is the order of the day. La Muña's Nikkei cuisine tickles the taste buds: sweet or sour, raw or marinated, combinations of smooth crunchiness and subtle acidity - simply irresistible!

SAPORI ◀

The space, the view of the peaks, the natural light that is gently muted as evening falls, the noble materials in soft colors as well as the beautiful curve of the dining room create a setting imbued with elegance and simplicity. Featuring an open show kitchen, the Ristorante Sapori offers guests the exciting opportunity to observe the daily hustle and bustle of a hotel kitchen while enjoying Italian cuisine at its best.

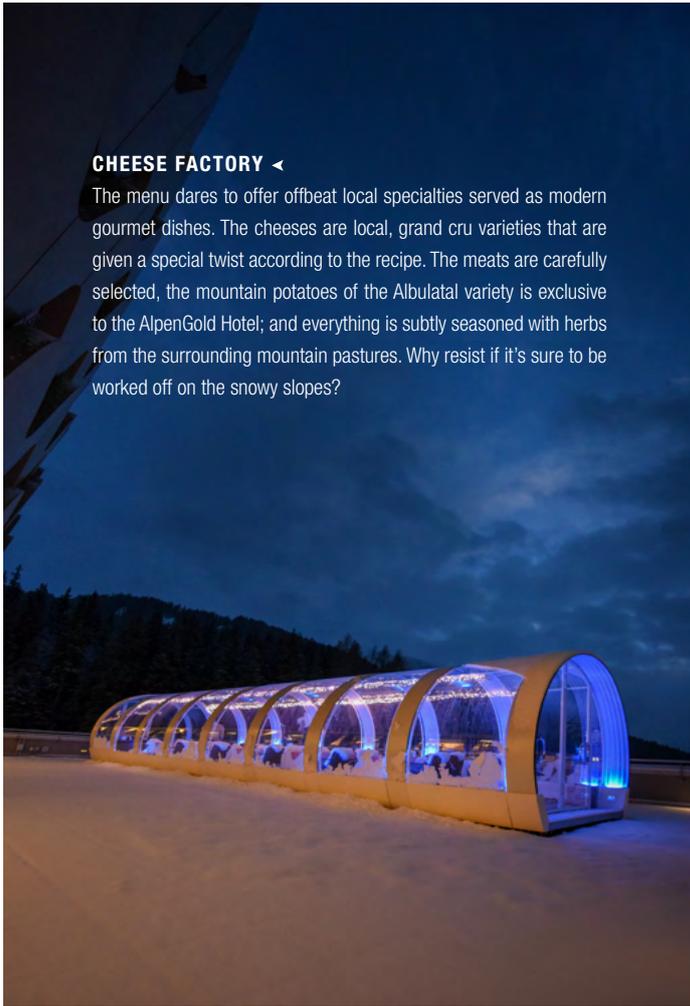

LE FUMOIR

Le Fumoir is dedicated to friends of finest tobacco. A wide selection of top Cuban cigars, including some rare Cohibas, is complemented by selected cigars from Latin American regions. Here the connoisseur can indulge his passion undisturbed. In the daring ambience, well-ripened brandies and distilled fermentations are being served to round off the pleasure. The meeting place for like-minded people who want to celebrate a hand-rolled cigar.

CHEESE FACTORY ◀

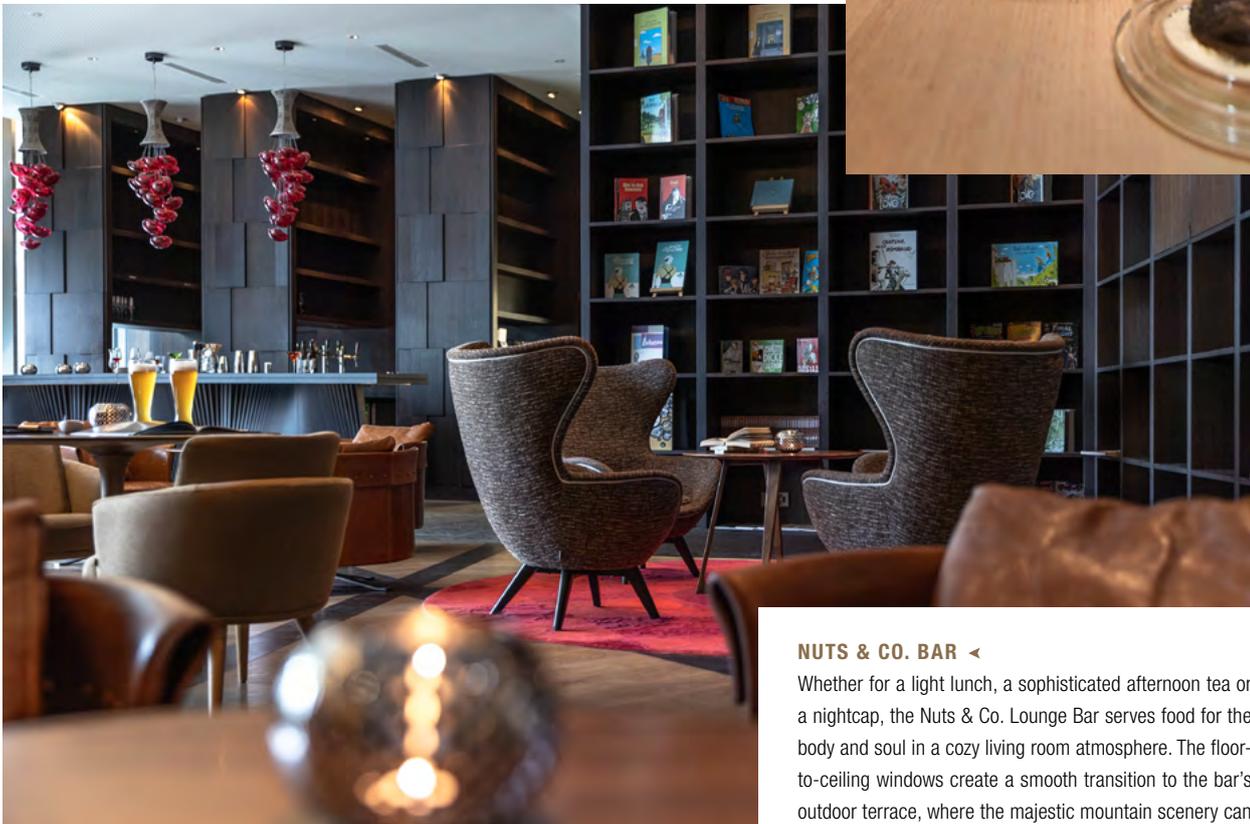

The menu dares to offer offbeat local specialties served as modern gourmet dishes. The cheeses are local, grand cru varieties that are given a special twist according to the recipe. The meats are carefully selected, the mountain potatoes of the Albulatal variety is exclusive to the AlpenGold Hotel; and everything is subtly seasoned with herbs from the surrounding mountain pastures. Why resist if it's sure to be worked off on the snowy slopes?

ATELIER VERT ◀

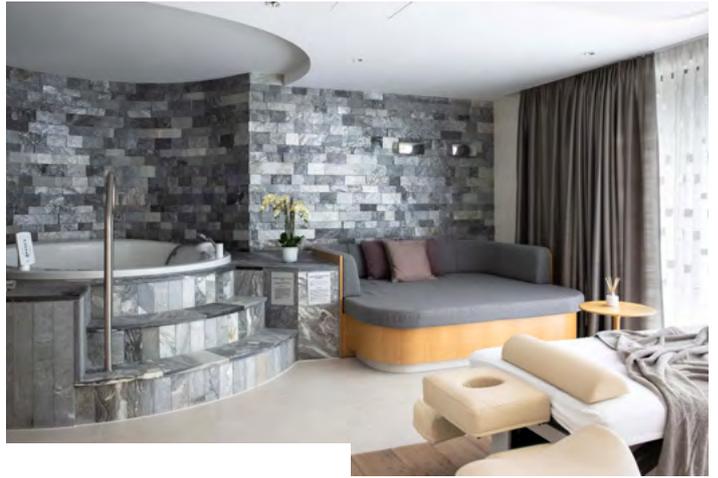

15 Gault&Millau points

Creativity, sustainability, and a bit of a show: In the Atelier VERT, AlpenGold's executive chef Manuel Zünd and his team celebrate the local vegetarian cuisine. The ingredients come from the hotel's garden or producers in the Graubünden region. Whether organic rolled barley, organic honey, mountain hemp, mountain beans or potatoes; in the menu, regional ingredients can be rediscovered.

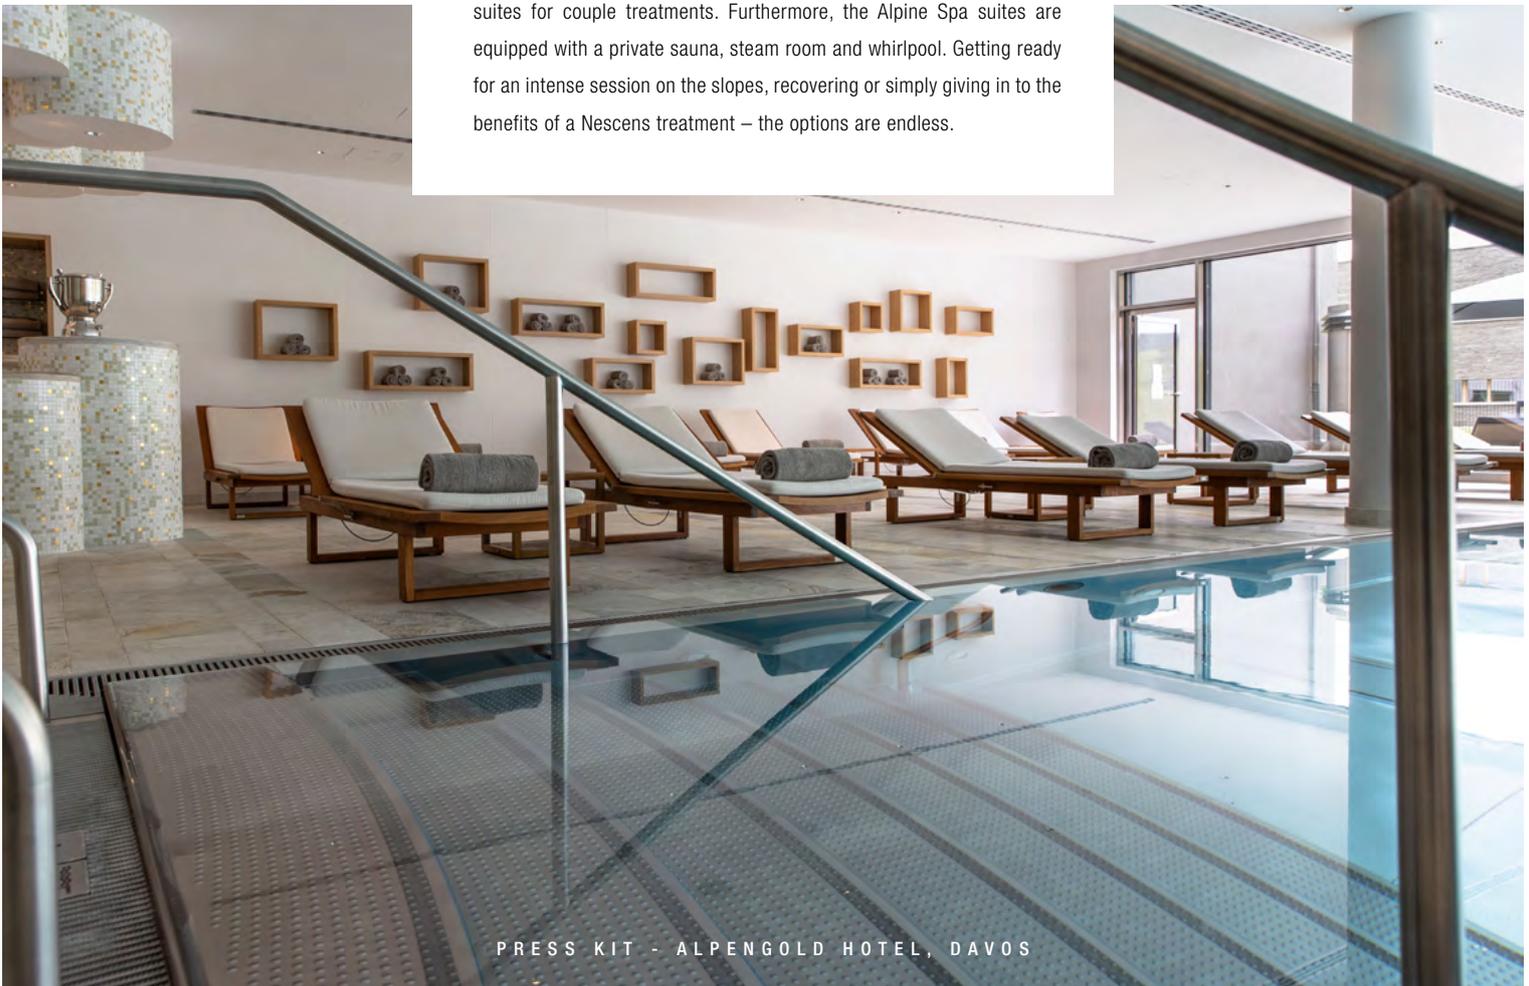

NUTS & CO. BAR ◀

Whether for a light lunch, a sophisticated afternoon tea or a nightcap, the Nuts & Co. Lounge Bar serves food for the body and soul in a cozy living room atmosphere. The floor-to-ceiling windows create a smooth transition to the bar's outdoor terrace, where the majestic mountain scenery can be enjoyed even in winter. Inside the bar, the dark wood paneling is reminiscent of the shingles, traditionally used as roofing for the region's chalets.
